

Asbury Child Development Center Contract

I am aware that Asbury Child Development Center operates 12 months a year. My \$45.00 registration fee reserves my spot from September to September. Therefore, I am responsible for payment for all 12 months. If I do not need care after May and my child will not be returning in the fall, I must provide the director with a 30 day notice. If I do not need the summer months for care, but I would like care for the fall, I am aware that tuition is due for the summer months.
